Dear Sir,

REV No. 9843

Mr. J.C. Noronha, M.B., B.S., M.R.C.S. D.P.H., (Camb) & D.T.M., (Liv) whose appointment as Assistant Surgeon in the Medical Department has recently been sanctioned by Government saw me to-day and expressed his willingness to enter the Public Health Department. The Senior Surgeon to whom I spoke on the subject is prepared to spare the services of Mr. Noronha - - provided Government approve ^{of} his transfer to this Department. I would recommend his being entertained as Health Officer on Rs. 240/- in the grade of Rs. 150-15-360.

2. Mr. Fernandes has, as you are aware, been wishing either to be reverted to the Medical Department or be given the grade of a First Class Health Officer although he holds no Public Health qualification. Now that a well qualified Officer possessing a Diploma in Public Health and in Tropical Medicine as well, is available, there is nothing to stand in the way of granting Mr. Fernandes's request to be reverted to the Medical Department, in case he is not satisfied with his present - - status in this Department with the additional local allowance recommended in my unofficial note No.G.C.171 dated the 9th Instant if sanctioned,.

3. It will be seen from the accompanying copy of - - application received from Mr. Noronha that the minimum pay he would accept is Rs. 255/-, but as another Officer with British qualification has already been started on Rs. 240/- per mensem, it may not be possible to fix the pay at Rs. 255/- in the case of Mr. Noronha. His request to be allowed the option of reverting to the Medical Department, if he desires it, at the end of two years may also be favourably considered by Government.

4. I request the favour of early orders as Mr. Noronha wishes to join as early as possible.

Yours Sincerely,

A. N. M. M.

I have much to say about the Noronha's scheme
if we give all these to the Secretary dept. but of this
to meet the needs of the - an office in the
Sanitary dept. and make up the mind to remain
there permanently - If Mr. Noronha does not
insist upon this condition, ~~but~~ his proposal of the
Sanitary dept. department will be a larger party
which will be considered.

Pls. for consideration
